Booth space: 10' by 10'. You will need to provide all the necessary equipment for a booth such as table, chair, etc. This should include shade and rain protection. The fire department requires that you have a fire extinguisher in the booth.

Please bring only quality work of your own craftsmanship and only media, which was approved at the screening. The committee reserves the right to exclude anything for the show which they feel is inappropriate. Do not bring items that have been copyrighted by someone else

If you can demonstrate your art during the show, we encourage you to do so. We feel the show is for learning as well as for enjoying.

It is essential that you bring enough stock to have a good display all weekend. Although you should have someone in your booth at all times, we expect that you will be the primary person (we feel it is only appropriate that the artist be there to present their work).

You are responsible for cleaning up your booth site after the show.

We are required to carry insurance for the show. This insurance covers the Cultural Arts Foundation NW only - it does not cover you, your goods or your liability should a suit arise. We strongly recommend that you have your own insurance.

Please fill in the registration form and mail it, along with your booth fee (\$175.00).
